World Environment Day
ECO EVENING ON FRIDAY 17 JUNE 2011 (6.40pm-9.00pm)

*....Come, dance in the forest, come, play in the

And sing, sing to the glory of the Lord!....*

Our parish of St Ignatius is holding our very first Eco-Evening on Friday 17 June (from 6.40pm-9.00pm) led by FMM sisters in collaboration with our Weekend Catechism holiday event for families.

The effort is to raise awareness amongst our families of our role as stewards of God's creation and to help share and learn how we can be better care-takers of our heritage.
